Company: AE Recruitment

Location: Dubai

Category: healthcare-practitioners-and-technical

We have Architects contacting us asking how to get a job in this company all the time! They are an international award-winning consultancy who are now looking for 2 x Masterplanners to join their team. They design, detail and deliver high quality transformations and urban developments. They're building a masterplanning team so this individual has a fantastic opportunity to progress their career in a short space of time, taking on more a more responsibility. They are a British firm so English needs to be your primary language. After that, UAE building regs knowledge, client liaison, business development and being able to demonstrate how you've built a network is a necessity. The individual themselves should be a proactive individual who wants the opportunity to develop and grow within the company. Currently around 60% of their projects are retail and the remaining are education but masterplanning expertise are essential. What is a must is previous experience running projects so we're looking for a job runner/Design Manager type who can deliver the design and construction packages. Requirements Bachelors or Masters in Urban Planning/Urban Design/masterplanning Minimum 4 years experience within Urban Design/masterplanning Talented Masterplanner/Urban Designer Must be able to drive, lead and assist the development and delivery of the projects in the Middle East region. Must be based in Abu Dhabi Must be a competent AutoCAD, Photoshop, MS office and GIS (preferable but not essential). Previous experience liaising with internal and external consultants. Previous experience sketching and illustrating urban design concepts to the client, as well as developing urban design and landscape guidelines. Benefits Negotiable salary AED, dependant on experience Flights Healthcare Fast track career for talented staff.
