## 2024 Business Analyst Internship (UAE National Only)

[Apply Now](#)

Company: Amazon.

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

We're on the lookout for the curious, those who think big and want to define the world of tomorrow. At Amazon, you will grow into the high impact, visionary person you know you're ready to be. Every day will be filled with exciting new challenges, developing new skills, and achieving personal growth.

How often can you say that your work changes the world? At Amazon, you'll say it often. Join us and define tomorrow.

- At Amazon, you will define your goals, exceed them, and set new ones.
- If you're insatiably curious and always want to learn more, then you've come to the right place.
- We continuously grow and improve.
- We want you to feel welcomed, included and valued right from the start. We know that your experiences will help us build a better world.
- Though we're a global company comprised of diverse individuals, we unite around our pursuit of to deliver on behalf of our customers.
- Our primary purpose is to make our customers' lives easier. Your work will contribute to that purpose. Here, your voice and ideas can produce the breakthroughs.
- We think ahead and put long-term value over short-term wins. We believe in investing in your future.
- We want you to be the best version of yourself - to continuously evolve and improve.
- With us, you'll get good at making fast decisions, taking calculated risks and fearlessly chasing excellence.

- We make the impossible, possible.
  - We aim for the ultimate simplicity to make customers' lives easier. That's why we need people who are innovators and disruptors. People who dive deep and think big.
- Working with operational, finance, retail and technical teams across the organization to identify opportunities, develop sound business cases and drive measurements of actions to continuously improve on the inputs and ultimately the outputs of the business
  - Working with large volumes and big data, in a highly complex business
  - Working with business intelligence tools, accessing and working with big data from multiple sources, and partnering with the business to identify strategic opportunities and deliver results

#### About the team

If you're insatiably curious and always want to learn more, then you've come to the right place. Depending on your location, country, job status and other requirements, some or all of the following benefits may be available to you as an intern.

- Competitive pay
- Impactful project and internship/role deliverables
- Hybrid working (team dependent)
- Networking opportunities with fellow interns
- Internships events such as speaker series, intern panels, Leadership Principles sessions, Amazon writing skills sessions.
- Mentorship and career development

If you're successful during your internship, you could be considered for a graduate role after finishing your university studies

Internship start dates vary throughout the year.

Internship length can vary between (3 months to 6 months)

We are open to hiring candidates to work out of one of the following locations:

Dubai, ARE
