### Adjunct Faculty Position in Construction Management

#### American University of Ras Al Khaimah

American University of Ras Al Khaimah (AURAK), Department of Civil and Infrastructure Engineering, invites applications for an adjunct faculty position beginning Fall 2024 (August). Candidates for this position must hold a Ph.D in Civil Engineering (Construction Management).

The successful candidate is expected to teach the following main courses:

Construction Management

Infrastructure Management

In addition, the faculty member is expected to teach other management related courses when required.

#### Required Qualifications

Ph. D in the area of Civil Engineering (Construction Management) from an accredited institution of higher education

Strong record of active engagement in research and scholarship, including recent publications

University teaching experience

Excellent English oral and written communication skills

Commitment to excellence in teaching, including the use of high-impact educational practices

Ability and willingness to work collaboratively with faculty from a variety of disciplines

Familiarity with ABET accreditation requirements

### **Application Process**

Applicants are requested to submit a cover letter, a detailed curriculum vitae, a brief description of teaching philosophy and courses taught, unofficial copies of transcripts. Applications must be submitted online.
