Description:

This position will suit a medical practitioner with dual qualifications in General Practice and Emergency Medicine. A high proportion of patients attending the Emergency Department are patients with primary care needs. You will be joining a premier hospital with a state-of-the-art emergency department that takes pride in maintaining its high quality and standards.

Responsibilities:

Provide comprehensive professional and ethical quality clinical services to patients in an effective and efficient manner

Monitor and manage clinical risks associated with direct patient care

Ensure compliance with clinical governance and quality management standards

Maintain accurate medical records

Ensure excellence in medical practice is maintained by focusing on continuous professional development of self and others

Maintain integrity in professional services by executing clinical services in an ethical and responsible manner.

Requirements:

Medical doctor degree.

Three years' experience in the ER or as a specialist with six months in the ER or an ER specialization.

Recent clinical experience of at least six months within the last 24 months.
