Requirements:

Establish collaborative partnerships with key clients to deliver against business objectives. Identify and nurture organic growth opportunities through existing client relationships. Consistently demonstrate your strategic capability and presentation skills in framing client challenges, defining project approaches and ensuring value based outcomes. Effectively empathise, synthesise and communicate client requirements in clear briefings. Orchestrate the optimal service delivery and ensure overall client satisfaction. Motivate and coordinate multidisciplinary teams across studios, disciplines and partners. Support continual process improvements across the AKQA's evolving service offering.
