Company: Etihad Airways

Location: Abu Dhabi

Category: healthcare-practitioners-and-technical

A Pilot Instructor is a role model position at Etihad Airways and is responsible for the training and development of pilots' core competencies (Knowledge, Skills and Attitude) and resilience.

He/She is authorised to conduct training duties in line with the GCAA CAR-FCL and CAR-AIR OPS regulations, as well as the policies and procedures described in the Etihad Airways Operations Manual Part D.

Job description includes (and is not limited to):

Display instructor competencies and uphold standards

Provide good quality training to pilots at Etihad Airways

Provide a positive role model to all other personnel

Provide training system and course feedback

Develop the potential and skills of the pilots

Desired qualifications and experience:

3 years as Instructor/Examiner

1000 hours of FSTD training

1000 hours of LIFUS/IOE experience

Good technical knowledge

Previous experience with MPL Training, Evidence-based Training (EBT) and/or AQP/ATQP are an advantage

Salary and Benefits:

Instructor remuneration in line with the Company HR Policy

About Etihad Airways

Etihad Airways, the national airline of the UAE, was formed in 2003 and quickly went on to become one of the world's leading airlines. From its home in Abu Dhabi, Etihad flies to passenger and cargo destinations in the Middle East, Africa, Europe, Asia, Australia and North America. Together with Etihad's codeshare partners, Etihad's network offers access to hundreds of international destinations. In recent years, Etihad has received numerous awards for its superior service and products, cargo offering, loyalty programme and more. Etihad is recognised as one of the world's leading airlines in response to COVID-19 and was the first airline in the world to fully vaccinate its crew on board.

Etihad sees tackling the climate crisis as the most important issue of our time, and through strategic partnerships with major global aviation brands and OEMs, Etihad is relentless in its pursuit of industry decarbonisation.
