

## Aircraft Mechanic

[Apply Now](#)

Company: Fly Dubai

Location: dubai

Category: other-general

The job posting is outdated and position may be filled

**Responsibilities:**

- To ensure that certification of tasks is carried out only within the limitations of the company issued approval. This will require a comprehensive knowledge of the flydubai Procedures.
- To ensure that all maintenance is carried out to the highest standards and within the operational limitations prescribed. This means that all maintenance is to be carried out in accordance with the manuals and documentation provided by flydubai.
- Completion of Work Packages as allocated. To ensure that all Work Packages are completed thoroughly and the relevant AMOS entries are made. To ensure that any damage identified is recorded correctly and concisely.
- Assisting with the recovery of AOG aircraft, to support down route requirements when requested. To ensure that the job holder has their passport at work at all times and that the required inoculations are kept up to date
- Raising Parts Requests for ADD as required. When raising an ADD and the spares required are known, the job holder is required to ensure that all associate spares are ordered and that AMOS and the ADD Sheet in the Technical Log is annotated accordingly.
- Assisting with overtime requirements as requested. This will include both voluntary and rostered overtime totalling up to 50 hours per calendar month
