A genuine employer will never ask you for the payment in any case. Ajmal Perfumes, over 7 decades of crafting memories. A fragrance is all that it takes to travel through time, such is the bond between memory and smell – Late Haji Ajmal Ali. Nothing unlocks an old memory better than smell, be it the memory of lost love or of a fond friend. At Ajmal we help towards recreating those memories through our fragrances. Founded by the Late Haji Ajmal Ali in the early 1950's, in India, Ajmal Perfumes has grown from a modest trading house into a regional corporate entity. Today this multi-million dollar family-owned business is steered by the passion of the second and third-generation

Ajmals, each playing a key role in the brand's development. Ajmal stands strong as a corporate entity with a vast portfolio of over 300 of the finest and most captivating fragrances. Ajmal has a strong retail presence with over 180 exclusive retail outlets across the GCC. Ajmal also has presence on the international front, currently exporting our exquisite range of products to 45 countries across the world, also being exclusively present at Duty Free locations and Airlines.

**Ajmal Perfumes Careers Recruitment Process?**

The Ajmal Perfumes recruitment process for a career in Dubai is straightforward. First, you need to submit your resume and cover letter online. After reviewing your application, you may be invited for a telephone interview. If you pass this stage, you will be invited for an on-site interview at his Ajmal Perfumes office in the United Arab Emirates. The final stage of the process is Recruitment, which applies to the best-qualified candidates for the job.

**How to Apply :** To apply for a job, please follow the instructions provided on our website or the specific job listing. You may be required to submit your updated resume, a cover letter, and any other supporting documents as requested. Simply follow this address to apply and if you have a contact phone number you can contact us for more information. Please specify "Applying For Position" in the subject line.

**How to Create a CV In Online?** A resume is an important tool in any job search, and there are some important things you can do to make your resume as good as possible. First, tailor your resume to the specific position you are applying for and use keywords from the job posting. Second, emphasize accomplishments rather than simply listing responsibilities. Finally, use plain language and clear formatting to make your resume easy to read. By following these tips, you can be confident that your

resume will stand out and increase your chances of getting the desired job. You may not use this website for any illegal or unauthorized purpose.
