Responsibilities

We are on the lookout for an Analyst, Revenue Management to assist the Marine & Waterpark and Retail revenue team, who will effectively maximise all opportunities to increase total revenue, through planning, forecasting, analysis, pricing, and inventory management. Are you able to quickly identify which segments are up and which are down? Are you aware of the risk of displacement, and how our strategy is going to impact our profitability? If this sounds like you and you thrive in a challenging environment, we would love to hear from you!

Requirement

If you have a bachelor's degree in hospitality management, or a related field, and at least 1-2 years' experience in Revenue Management, as well as strong analytical skills and advanced computer skills (Excel, PMS, CRS, Web), we invite you to apply for this unique opportunity.

Please note that to be considered for this role, a hospitality, or theme park/waterpark background is required.
