Company: STAR SERVICES LLC

Location: Abu Dhabi

Category: healthcare-practitioners-and-technical

Job Description

We are looking for a Appointed Person as per the below details:

- Select the correct crane and accessories for the specific task**
- Prepare the lift plan and ensure the required controls are in place**
- Ensure that the lifting equipment is maintained, examined and appropriate for use**
- Check that load integrity and stability are satisfactory**
- Ensure that people involved are competent for performing their task, aware of the task and procedures to be followed and aware of their responsibilities**
- Ensure competent supervisor available should the Appointed Person delegate his duties of part thereof to others**
- Ensure all necessary test certificates and other documents are available**
- Ensure all other statutory requirements and any necessary work permits are in place**

-Identify all hazards and restricted areas

-Ensure that the person directing crane movements (Signaler / Banksman) is readily identifiable to the crane operator by wearing high visibility clothing or distinguishing markings

-Ensure that the workplace is provided with adequate lighting for night lifting

-Brief people involved in or affected by the lift

-Ensure the lift is carried out following the plan. Suspend the lift if changes or conditions (e.g. wind) occur that would cause a deviation from the plan

-Monitor the performance of all involved personnel to ensure that adequate standards of performance are maintained

-Manage any special issues such as language barriers and new/inexperienced staff

-Check that there is no deviation from standards for routine lifts

-Shall allow for concurrent or simultaneous operations that may affect or be affected by the lift, e.g., helicopter operations, ballast control, other cranes
