Company: TELUS International

Location: , Dubai, United Arab Emirates

Category: other-general

Description:

We help companies test and improve machine learning models via our global AI Community of 1 million+ annotators and linguists. Our proprietary AI training platform handles all data types (text, images, audio, video and geo) across 500+ languages and dialects. Our AI Data Solutions vastly enhance AI systems across a range of applications from advanced smart products, to better search results, to expanded speech recognition, to more human-like bot interactions and so much more.

Job Responsibilities:

Do you spend a lot of time on the internet and would like to get paid for helping improve the experience?

Do you want a flexible work from home role that allows you to choose your own hours?

Would you like to work in a job that gives you the opportunity to have fun working on a variety of different task types?

Job Requirements:

Fluency in English and Arabic is essential.

A keen interest in the internet is a must.

Good attention to detail as all tasks will contain guidelines to follow.

Ability to work on your own initiative and work independently is essential.

The hours are flexible, you choose your own schedule.

You have the opportunity to qualify on multiple task types to maximize your income.

You can earn additional income working from the comfort of your own home.

All guidelines and practice tasks will be in English.

Access to a high speed internet connection and your own laptop / desktop with the latest version of Windows, all provided at your own expense. Working on other OS or mobile devices is not supported currently.

A Windows Live ID is essential.
