Maintain records of inspections made, tests performed, work executed, etc. Performing all work in accordance with the Contract Administration Procedures Manual.• Observing site safety practices and the progress of the work. Reporting any concerns.• Assisting with the inspection of completed works. Helping prepare punch lists. Monitoring the start-up, testing, commissioning and handover of the works.• Assist in the review of Shop drawing and Material submittal related to Architectural and ID works• Perform all other duties given by the direct manager.Title:Qualifications:• Five (5) years experience in a similar or equivalent position and job description.•Bachelor's degree in relevant disciplines: Architecture or Architectural Engineering.• Review of drawing related to IDworks and inspection on site•

Excellent oral and written communication skills. • Knowledge of building construction, materials, systems and trade practices is required. Employment Type: Full-Time Job Type: Regular Job Category: Architecture, Construction About Stantec: We're active members of the communities we serve. That's why at Stantec, we design with community in mind. Now uniting approximately 22,000 employees, working in over 400 locations and across six continents, we collaborate across disciplines and industries to bring water and infrastructure projects to life. Our work as architects, engineers and consultants from initial project concept and planning through design, construction, and commissioning begins at the intersection of community, creativity, and client relationships. With a heritage in water, we continue to safeguard and sustain lives, communities, and businesses worldwide. Our local knowledge and relationships, coupled with our global expertise, qualify us to go anywhere to solve our clients' challenges in more creative and personalized ways. With a long-term commitment to the people and places we serve, we have the unique ability to connect to projects on a personal level while advancing the quality of life in communities around the globe. We look for people who are drawn to use every talent they possess, plus imagination, determination and a drive to do the extraordinary. If connecting across borders with some of the world's top talent appeals to you, join us. To learn more about job opportunities and a career at Stantec, visit: <http://www.stantec.com/careers.html>
