Assistant Coordinator Business Development Job Details Abu Dhabi, United Arab Emirates Job Identification 124 Locations Posting Date 11/03/2022, 11:38 AM Job Schedule Full time About Us

We are Yas Holding, a diverse business development and investment group based in Abu Dhabi. Our strategy is to explore, create and realize new investment initiatives in both local and international markets, creating value for both our shareholders and our customers. Yas Holding was established in 2006, and has since launched many investment initiatives which have been transformed into successful, profitable operations in a range of diverse sectors. At YAS Holding, we are looking for people with a commitment to developing themselves and the UAE. We employ talented individuals with endless bright ideas and the resilience and determination to see them turn into reality. Our employment force is composed of a wide variety of talents from all over the world. We recruit professionals from different areas for YAS Holding and our subsidiary companies. For more information, Please visit YAS Holding website <https://www.yasholding.ae/> With aspirations of creating a new green history on the sands of our great country, Elite Agro UAE has grown exponentially since inception in 2010, and is now recognized across the region as one of the leading local producers and distributors of fresh fruit and vegetables. Our local cultivation extends to approximately 3000 hectares across four major farms, located in Abu Dhabi and Al Ain, producing more than twenty-five varieties of fresh produce including fruit, vegetables and forages. Elite Agro UAE are a quality-driven center of excellence in farming practice, and our farm certifications include Global G.A.P, BRC, HACCP, ISO 9001, ISO 14001, ISO 45001 and ISO 22000. Our commitment to achieving the nations farming vision is enabled by world-class irrigation and

farming technologies, advanced machinery, highly competitive and specialised talent, and the most economic use of our natural resources conserving water, energy and land. Page
