Assistant Manager - Accounting and Finance (Abu Dhabi)

[Apply Now](#)

Company: KPMG Lower Gulf Limited

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

Major duties:

Lead and manage projects or work-streams of a small to medium size and complexity (including analyzing and interpreting data, drafting report findings and attending client meetings)

Contribute to the planning and delivery of engagements including work plans, timelines, project management, and resource allocation

Liaise effectively with clients whilst working on engagements and act as an 'ambassador' for KPMG

Own deliverables of an engagement/project with minimal input of project leadership

Complete report writing, presentations and proposal preparation with minimal guidance

Develop expertise and knowledge of a variety of clients and markets

Produce and deliver high-quality engagement outcomes and deliverables for our clients, as well as building and maintaining relationships with clients, to develop a strong professional network over time

Identify risks and opportunities for improvement and make strategic and tactical recommendations to assist our client's in achieving their short-term and long-term goals

Create a positive learning culture. Coach and counsel junior team members and help

them to develop through effectively supervising, and mentoring

Contribute to practice and risk management, including thought leadership and business development activities

Education requirements:

Bachelor's degree in Accounting and/or Finance

Professional accounting and/or finance qualification (e.g., CPA, CA, ACCA, CFA)

Work experience requirements

A minimum of 5 years of financial accounting experience in a relevant organization (preferably in big four accounting firms - audit and/or accounting advisory teams)

Experience in MENA market highly recommended

Demonstrate expertise of industry (Energy, Healthcare, Financial Services, and/or Public sector) leading practices

Strong awareness of non-technical accounting matters (corporate finance, ESG, deals, tax, legal, etc.

Technical skills requirements:

Extensive technical accounting experience in IFRS and IPSAS

Strong analytical skills (an eye for detail and awareness of broader business issues)

Deep understanding of finance business processes and finance controls

Advance knowledge of Microsoft products such as Word, Excel and PowerPoint

Experience with Oracle, SAP, Power BI, Visio, Blueworks, Aries will be preferred

Interpersonal skills:

Ability to articulate views and ideas clearly, both written and verbal

Ability to work effectively, and collaboratively as part of a project team

Strong leadership and team-building skills

Sound decision making, analytical and problem-solving skills with strong attention to detail

Good presentation skills encompassing the ability to convey complex concepts accurately and succinctly

Use diverse sets of inputs to develop a broad perspective on business and people issues
