

ASSISTANTASSOCIATE PROFESSOR IN MECHANICAL ENGINEERING

[Apply Now](#)

Company: University Of Sharjah

Location: sharjah

Category: other-general

Ability to teach a range of core and elective courses in fluid dynamics, heat transfer, and thermodynamics, computational thermal science at any level, as well as supervise senior design projects and graduate students in mechanical engineering. Faculty members in the program are expected to develop curricula and laboratories and should plan to establish externally funded research programs and publish peer-reviewed papers. Faculty members are also required to serve on committees at the program and university level.
