## Associate Civil/Highway Engineer (UAE National)

[Apply Now](#)

Company: Parsons Oman

Location: dubai

Category: other-general

**Job Description:** Associate Civil/Highway Engineer (UAE National) Dubai, UAE Parsons is looking for an amazingly talented Associate Highway Engineer (Fresh graduate) to join our team! In this role you will become an integral part of a respected and ambitious team, and the role will provide every opportunity for you to make your mark and influence the continuing sustainable growth of Parsons in Dubai and further afield.

**What You'll Be Doing:** Perform a variety of highway engineering duties by applying basic engineering techniques for road and highway design and analyses within road discipline. The Highway Engineer at this level is in a developmental mode, being trained under close supervision in the utilization of engineering theories and practices, and gaining exposure to Company procedures. Assignment may be to a structured rotational program which would include experience in Project Controls, Procurement, and Construction Management, as well as through several disciplines in Engineering. Some assignments involve CAE (computer aided engineering)/CAD (computer aided design) applications. Willingness to travel or relocate to supplier, client, or construction site locations is expected.

**What Required Skills You'll Bring:** Bachelor's degree in Civil Engineering. Internship or work experience in civil design/engineering. Basic engineering knowledge in electrical, mechanical, civil, or a related field. Familiarity with CAD and other PC software packages typically associated with engineering. Only UAE Nationals will be considered for this position.

**Minimum Clearance Required to Start:** Not Applicable/None. Parsons is an equal opportunity employer committed to diversity in the workplace. Minority/Female/Disabled/Protected Veteran.
