Role

Associate Director, Advisory

Location

Dubai / Abu Dhabi

Who we are

LRQA is a leading business assurance provider. Our business units collaborate to provide clients with an end to end solutions that enable our clients to:

Assure assets and management systems

Be cyber resilient

Achieve product integrity

Navigate the energy transition and achieve net zero

Source Responsibly.

Operating in more than 160 countries and recognized by over 30 accreditation bodies worldwide, LRQA covers almost every sector, and prides itself on the highest standards of quality and innovation as it helps clients to manage risk across the entire supply chain, drive operational improvements and build credibility with stakeholders.

We design, build, and manage data-driven, sustainability-linked programs that drive positive impact, with assessment, advisory, program management and analytics solutions, we offer a unique opportunity to work on real issues that span the globe and positively impact people,

communities, and the planet.

While already present in the Middle East, we are looking to expand our presence in the region with ambitious growth targets.

Job overview at a glance

ELEVATE is looking for a passionate professional to strengthen our ESG services Advisory in the Middle East.

As an Associate Director you will grow our client base in the UAE supporting them to improve sustainability performance and fulfil their due diligence obligations. You will be part of the global Advisory team and you will report into Consulting Europe Senior Director, Advisory Business Unit as well as to local leadership in the Middle East. You will be supported by our Consulting team in Europe and our global network.

Who you are

Are you excited by the idea of working in a company that is tackling the biggest sustainability challenges? Would you like to

rapidly develop Middle East markets,

work in a fast-paced, dynamic environment,

work on key social, environmental and governance issues with a truly international team of like-minded and creative people,

work for some of the biggest and most forward-thinking brands in the world?

What you can expect

Business Development: expanding ELEVATE's presence in the Middle East, developing the plan for accelerated growth and acquiring high-impact advisory projects by:

building and maintaining a professional network by connecting with all relevant stakeholders in the Middle East region, e.g. LRQA teams, local business partners, existing and potential clients

providing market intelligence to inform LRQA's business plan for the Middle East with a special focus on rapidly establishing and growing the Advisory service offerings

acquiring new mandates and expanding existing clients with a focus on the Middle East

connecting the full ecosystem of LRQA Advisory services (Consulting, Training & Improvement, Data & Analytics and Programs) to best support our clients

ESG Risk and Due Diligence management: lead consulting projects to support our clients in meeting their demanding ESG requirements landscape by:

developing and implementing ESG Due Diligence concepts that comply with current standards and frameworks (such as HREDD, CSDDD legislation, etc.)

providing strategy and supply chain advisory support that align with current standards and frameworks (such as ESG Ratings, EU taxonomy, TCFD, SBTi, CDP, ISSB, SASB, CSRD etc.)

conducting trainings and webinars on relevant ESG trends (e.g., HREDD, data-driven risk management, supply chain due diligence processes etc.)

delivering

What you bring to the table

entrepreneurial Consultant with at least 10 years of proven experience in business development, consulting, responsible sourcing, sustainability or similar

significant experience of the Middle East business environment and strong inter-cultural competence

expertise in ratings, standards, and regulatory frameworks (such as HREDD legislation, ESG ratings, EU taxonomy, TCFD, SBTi, CDP, GRI, SASB, NFRD/CSRD, etc.) and proven ability to translate this expertise into needs-based solutions and results

knowledge of the Financial Sector and the Asset Management, Private Equity and Energy community in particular is a plus

efficient project and time management

excellent oral and written communication and presentation skills and experience in leading effective workshops

ability to work in a team and enthusiasm for mutual success

quick perception and independent working style

enjoy virtual work - 1:1, in a team and across different time zones - with a strong ability to self-manage

various parallel projects spur you on: You keep the overview and use synergy effects

professional communication in English and ideally in another language

Equal Opportunity Employer

LRQA is committed to creating a diverse and inclusive workplace and is proud to be an Equal Opportunity Employer. All qualified applicants will be considered without regard to race, colour, religion, gender, gender identity, sexual orientation, national origin, genetics, disability, age, veteran status, or any other status protected by local law. Personal data provided by applicants will be treated as confidential information and will be used exclusively for employment purposes only. Only short-listed candidates will be notified. Applicants who are not invited for an interview may consider their applications filed for future reference.
