assurance – IT Audit – Manager – Muscat | PwC Middle East Dubai

PwC is one of the world's largest providers of assurance, tax, and business consulting services. We believe that the best outcomes are achieved through close collaboration with our clients and the many stakeholder communities we serve. So every day, 364,000 PwC people in 158 countries work hard to build strong relationships with others and understand the issues and aspirations that drive them.

A career in our Information Technology Audit Services practice, within Risk and Compliance services, will provide you the opportunity to work with a team that provides clients with extensive risk and controls technical knowledge and sector specific experience. You'll have the opportunity to develop a holistic approach to risk that protects businesses, facilitates strategic decision making and enhances efficiency by assisting management in the assessment of project risks and controls.

Responsibilities

As a Manager, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Develop new skills outside of comfort zone.

Act to resolve issues which prevent the team working effectively.

Coach others, recognise their strengths, and encourage them to take ownership of their personal development.

Analyse complex ideas or proposals and build a range of meaningful recommendations.

Use multiple sources of information including broader stakeholder views to develop solutions and recommendations.

Address sub-standard work or work that does not meet firm's/client's expectations.

Use data and insights to inform conclusions and support decision-making.

Develop a point of view on key global trends, and how they impact clients.

Manage a variety of viewpoints to build consensus and create positive outcomes for all parties.

Simplify complex messages, highlighting and summarising key points.

Uphold the firm's code of ethics and business conduct.
