Company: PwC Middle East

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

### Description

At PwC, we measure success by our ability to create the value that our clients and our people are looking for. Our reputation lies in building lasting relationships with our clients and a focus on delivering value in all we do. We're a network of firms in countries with more than , people who are committed to delivering world-class capabilities and quality in assurance, tax and advisory services.

Established in the region for 40 years, PwC Middle East employs over 4, people across 12 countries. Complementing our depth of industry expertise and breadth of skills is our sound knowledge of local business environments across the Middle East region. Our tailored solutions help our clients meet the challenges and opportunities of doing business in the Middle East market and beyond.

### Job Description & Summary

#### About our Internship Program

In this exciting summer internship opportunity, you will gain valuable work experience with one of the top organizations in the Middle East. Using your degree and unique creativity and problem solving, you will grow, learn new skills and help solve important challenges. We'll help you create a meaningful career where you can confidently tap into your passions and utilize your degree to achieve a bright future for yourself and the people around you.

Our summer internship program is due to start on the 10th June until the 2nd August (You must be available for the full duration to be eligible to apply).

**We are PwC Middle East.**

Our business makes change happen. With around 11, people across 12 countries in the Middle East, you'll play a part in building a human-led, tech-powered future. We operate regionally, connecting more than , people across the globe, bringing together unique knowledge and experiences.

### **The opportunity**

It's an exciting time to join us in Assurance. The latest digital tools and technology help us deliver the highest-quality audits for some of the leading companies in PwC's global client network. But Assurance is about far more than audit. We provide clients with a range of Other Assurance Services, from assessing the sustainability of a supply chain to compliance with companies' internal governance policies. In all our work, we help clients achieve their true potential, whether we are guiding them through challenging accounting regulations, delivering trust and transparency solutions or reassuring shareholders with an accurate financial statement.
