## Audit Manager - Oilfield Services

[Apply Now](#)

Company: Linked4HR

Location: dubai

Category: other-general

Develop and implement comprehensive audit plans to assess the effectiveness of internal controls, risk management processes, and compliance with regulatory requirements. Lead a team of auditors in conducting internal audits across various departments and functions within the organization. Coordinate with external audit firms to facilitate the annual financial audit process and ensure timely completion of audit engagements. Evaluate audit findings and provide recommendations for improvements in operational efficiency, risk mitigation, and compliance. Collaborate with management to develop action plans and monitor the implementation of corrective measures. Stay abreast of emerging trends, regulations, and industry developments relevant to audit practices within the oil and gas sector.
