

## Autocad Operator

[Apply Now](#)

Company: Global Human Resource Consultancy

Location: abu dhabi

Category: other-general

The job posting is outdated and position may be filled. An AutoCAD Operator is an individual that uses computer-aided design (CAD) software for electronic drafting of custom blueprints. Your responsibilities in this career are to utilize the software to create technical drawings and designs that can be used to create projects in various industries. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
