Property Finder is the leading digital real estate platform in the Middle East and North Africa region. A UAE-born startup, Property Finder expanded its operations to Qatar, Bahrain, Saudi Arabia, and Egypt over the years. Recently, it acquired a significant stake in Zingat in Turkey. The company is one of the largest technology start-ups in the region and on a journey to becoming a Unicorn. We are aspiring to create a lighthouse technology company which will have a lasting impact in the entire tech ecosystem in our geography.
