Category: other-general

Backend Engineer | join.com Abu Dhabi

Great companies are made by great people. We understand that hiring those people is especially important in a small or medium sized growing company. But talent attraction and hiring can be time consuming and frustrating. To fix that we've democratized talent attraction to make the process faster, easier and more accessible for everyone.

Omniscrypt is on the mission to build a highly scalable, extensible and distributed e-commerce solution, which enables its enterprise clients to sell tickets to millions of customers.

Backend Engineer | join.com Abu Dhabi | [Apply Now](#)
