

Behavioral Scientist / Economist

[Apply Now](#)

Company: The Behavioral Economics Group

Location: dubai

Category: other-general

Founded and operated by experienced entrepreneurs and former consultants at the Middle East Offices of McKinsey & Company, Makeen Advisors complements clients' capabilities by providing on-demand access to a curated pool of top independent consulting talent in a simple way. Our independent consultants team up with our clients to develop strategies, implement projects, and play interim roles. They have wide-ranging experience across most sectors, functions, and geographies. Makeen Advisors network members have done extensive work to facilitate the launch and operation of key initiatives for some of the largest and most impactful organizations in the MENA region. Our clients include leading organizations from the public and private sectors, major international consulting firms, as well as start-ups, SMEs, family offices, and NGOs.

About the Talent Pool: We are expanding our network of experienced professionals in Behavioral Science and Behavioral Economics. The network will be supporting upcoming short-term, long-term, and permanent opportunities.

Requirements: General Qualifications: Degree in Behavioral Science, Psychology, Epidemiology, Neuroscience, Public Health, Economics, Public Policy and other relevant fields. Demonstrable experience in the private and public sectors, and/or teaching or research in academia. Open to recent graduates and experienced professionals specializing in behavioral sciences and economics.

Preferred Qualifications: Master's and PhD in Behavioral Science, Psychology, Epidemiology, Public Health, Economics, Public Policy and other relevant fields. Publications in relevant topics. Background in experimental research and/or behavioral interventions. Operational experiences and/or projects in the Middle East region.
