### Bid Manager Jobs In Sharjah | Rexus Group

#### About the job

Bid managers are responsible for creating and overseeing a bid – a detailed, costed, persuasive proposal – on behalf of one organization to gain a business contract or offer of work from another. A bid manager's role is to ensure that bids are successful at a price at which their organization can make a profit We are searching for a level-headed bid manager to join our excellent team. In this role, you will identify opportunities for bid submissions, develop bid-winning strategies, conduct research, write and edit proposals, negotiate with stakeholders, and collaborate with other team members to ensure bid security.

#### REQUIREMENT

Bachelor's degree in engineering, construction, or another relevant discipline.

Bachelor's degree in management or English.

Experience as a bid writer is advantageous.

Excellent industry knowledge and a willingness to keep up with trends.

Superb written and verbal communication skills.

Strong teamwork and interpersonal abilities.

Excellent analytical and problem-solving skills.

Deadline-driven and committed to excellence.#J-18808-Ljbfrr
