

# United Arab Emirates Jobs Expertini®

**Blockchain Data Analyst Dubai UAE May 19, 2023 8:21 AM**

[Apply Now](#)

Company: Devnull

Location: , , United Arab Emirates

Category: other-general

We are at DevNull looking for a data-obsessed SQL expert to help steer the innovation of the Tanalytica product. You will be responsible for writing queries, building dashboards, and communicating on-chain and off-chain data that will help drive business decisions, with a focus on product innovation and new protocol integrations. Get familiar with our company and our product ecosystem at [www.devnull.ae](http://www.devnull.ae)

**Initial Responsibilities**

- Write queries to pull blockchain data for strategic analysis
- Build dashboards to track internal metrics
- Develop novel data sets, features and reports that will help build our roadmap

**Requirements**

- 2+ years of professional experience with SQL
- Demonstrable proficiency with DDL, Complex Queries, JOINS, Primary keys/Indexes, Performance Improvement on queries, and Window functions
- Deep understanding of decentralized lending, the broader DeFi landscape, and potential growth opportunities
- Ability to source and synthesize on-chain and off-chain data, working with APIs and relational databases
- Working knowledge of data analysis and performance and operation metrics
- Ability to visualize and clearly communicate large sets of data
- Excellent written and verbal communication skills, must be fluent in English
- Nice to have
  - Technical background
  - Data science background
  - Prior experience working with Dune Analytics or The Graph
  - Understanding of the TON Virtual Machine
  - Degree in Computer Science or related field

**What we offer**

- A chance to work at the forefront of a fast-growing industry and help demystify crypto market dynamics for the global audience.
- Fully remote team with physical office options in the UAE (Dubai).
- We communicate using Telegram and Google Meet.
- Fully digital work processes & flexible working hours
- Extremely flat structures and a common-good-oriented vision
- No bureaucracy or tedious processes. We are agile but don't do scrum.

**How to apply**

Please send your application to [careers@devnull.ae](mailto:careers@devnull.ae) with the subject "Blockchain Data Analyst", including your CV and some words about yourself.
