Brain Injury Medicine Specialist Jobs In Abu Dhabi | SearchPlus HR Dubai

About the job

We are hiring brain injury specialist is a medical professional who specializes in the treatment of individuals who have suffered traumatic brain injuries. Brain injury specialists are often involved in the rehabilitation process, helping patients to recover as much function as possible after their injury.

Requirement Coordinating with other healthcare providers such as physical therapists, occupational therapists, speech therapists, and social workers to develop treatment plans that address all areas of need

Recommending modifications to the patient's environment to facilitate recovery

Performing neuropsychological assessments to determine whether patients are able to safely return to work or school after an injury

Providing emotional support and counseling services to help patients cope with their injuries

Conducting training sessions for other medical professionals who will be working with the patient during treatment

Using computer software to create visual representations of patient data#J-18808-Ljbffr
