Provides support for the Budget Manager and Finance Director; assisting with special studies requiring data compilation, in-depth analysis and thoughtful recommendations. Provide much needed support as Tigard transitions to a Citywide Enterprise Resource Planning software system. This includes transitioning the finance system from Springbrook to Tyler Munis. Provide complex financial analysis, project modeling, revenue projections, cost analysis and budget impact studies for future projects. Participate in our Learning Lab, a gathering of analysts as we work cross-functionally and tackle process improvements in a new, engaging and innovative way.
