Business Development Jobs In Dubai UAE 2023 | EY

Here at EY, you'll have the chance to build a truly exceptional experience. We'll empower you with the latest technology, surround you with high-performing teams, and provide the global scale and diverse and inclusive culture you need to discover your full potential. Through our coaching and training programs, you'll develop the skillsets you need to stay relevant today and in the future – all while building a network of colleagues, mentors, and leaders who will be on the journey with you at EY and beyond.

Responsibilities:

You have an agile, growth-oriented mindset. What you know matters. But the right mindset is just as important in determining success. We're looking for people who are innovative, can work in an agile way and keep pace with a rapidly changing world.

You are curious and purpose driven. We're looking for people who see opportunities instead of challenges, who ask better questions to seek better answers that build a better working world.

You are inclusive. We're looking for people who seek out and embrace diverse perspectives, who value differences, and team inclusively to build safety and trust

Requirements:

Bachelor's or master's degree in Economics/Management/Business

Administration/Engineering or related field of study with strong academic credentials

Bachelor's degree: completed within the past 18 months of applying to the graduate program

Master's Programs/Master's Degree: completed within the past 18 months with no relevant work experience for more than 6 months or students who started their master's directly after completing their bachelor's degree.

UAE nationals will only be considered
