### Cardiologist Jobs In Dubai | SearchPlus HR Consultancy

#### About the job

We are looking for a board-certified Cardiologist to join our team of medical professionals. You will work with patients to provide a full range of heart and cardiovascular services and treatments. You will perform various tests, make diagnoses, provide treatment plans and options, and work with other physicians and surgeons to treat patients' heart and/or cardiovascular disorders. To be successful as a Cardiologist you will need to make important decisions regarding your patients' care and be emotionally resilient in challenging medical situations. The ability to work and collaborate with others, in a complex and diverse environment, is also a necessity.

#### Requirements

Exceptional attention to detail.Outstanding hand-eye coordination.Wonderful bedside manner.

Excellent communicator who can empathize with patients.

Flexible working hours. Working Time is Full Time.

#J-18808-Ljbffr
