Cardiovascular Coordinator Jobs In Abu Dhabi | Sheikh Shakhbout Medical City

About the job

Every day, SSMC nurses apply their knowledge and expertise to the care of people with increasingly complex conditions. SSMC recruits the best nurses from around the world, and integrates into the high standards and unique work environment of SSMC to provide an unparalleled patient experience. SSMC Nurses are vital members of our care team. They are part of a talented interdisciplinary team of doctors, pharmacists, patient educators, dietitians, social workers, integrative medicine and health practitioners, and others, depending on your needs and plan of care.

Requirement

Promotion of health and delivery of health education.

Ensuring the provision of optimum clinical care, customer satisfaction and patient safety.

Conduct interviews with patient, family to obtain past medical records, social and medical history and to assess their understanding of the plan of care.

Prepare and analyze pre-procedure clinical data and consult with multidisciplinary team

Educate patient and family regarding all aspects of disease management, diagnostic and interventional procedures.

Develop nursing care plans to ensure standards of care are achieved.

Proactively review patient schedules to ensure efficiency in clinical workflows, identify and resolve potential conflicts.

Communicate and problem solve with multidisciplinary team to solve complex patient care issues.

Ensure appropriate resources are available to support patient care and procedures.
