CargoWise Digital Leader Jobs in Dubai | Aramex Careers

Description:

As a digital leader of the freight and logistics product, you will be involved in all the technical aspects and touch points of CargoWise (CW) and its modules, including – but not limited to – training, implementation, customizations, integrations, process design and automation, consultation, and support based on the best practices aiming for an optimal utilization of CW in the organization.

Job Responsibilities:

Build and customize workflows, registry, documents, reports, rates, and contracts

Understand CW and middleware database and infrastructure and securely generate data directly from the database when needed

Build, customize, and document integrations with other systems (SAP ERP, Salesforce, aramex.com, customs authorities, customers, forwarders, GPS, ...)

Understand and manage eAdapter, EDI messages, E2E, and Aramex middleware interactions

Job Requirements:

Bachelor's degree in IT related fields (computer science, engineering, ...)

Expert in CW (Certified professional)

Strong knowledge of operational freight forwarding

SQL server programming
