## Certified Public Accountant (CPA)(Dubai, UAE)

[Apply Now](#)

Company: FallenAmbers

Location: Dubai

Category: other-general

### Job brief

We are looking for an experienced Certified Public Accountant (CPA) to join our accounting department. You'll be responsible for preparing, reviewing, and analyzing financial reports for our company.

Our ideal candidate has in-depth knowledge of bookkeeping, auditing, and budgeting procedures. You should also be able to monitor daily transactions and recommend ways we can improve our financial health. Previous work experience, along with a degree in Accounting and a CPA qualification is required for this role.

Ultimately, you will play a vital role in our company's financial operations, ensuring compliance with the law and accuracy in the accounting

### Responsibilities

Organize and update financial records as needed (digital and physical)

Analyze transactions and prepare reports

Perform regular, detailed audits to ensure accuracy in financial documents, expenditures, and investments

Forecast revenue and analyze profit margins

Oversee ledger reconciliation and manage accounts payable/receivable

Participate in budgeting processes

Brief senior managers regularly on the company's financial status

Liaise with Tax Accountants to track tax payments and returns

Monitor bookkeeping activities regularly

Keep company financial information confidential

Establish accounting policies and procedures

Stay informed on industry developments and changes in regulations

## Requirements

Proven work experience as a Certified Public Accountant or Senior Accountant

Thorough knowledge of accounting and financial procedures

Understanding of Generally Accepted Accounting Principles (GAAP)

Experiences with accounting software, like FreshBooks and Zoho

Advanced MS Excel knowledge (familiarity with formulas, VLOOKUPs and pivot tables)

Excellent analytical skills with attention to detail

Integrity, with an ability to handle confidential information

BSc degree in Accounting or Finance and a CPA certification

. Skillset Required: Senior Accountant, Generally Accepted Accounting Principles , GAAP, accounting knowlegde
