Company: Faststream Recruitment Group

Location: Dubai

Category: healthcare-practitioners-and-technical

Job Description

Faststream is currently searching for an experienced dry bulk Chartering Manager to join a well-respected, global ship operator in Dubai.

This role will be a senior opportunity for someone to take over responsibility for the Atlantic region and a focus on Panamax vessels. You will be accountable for existing business and contacts, as well as building further business for the company. Strong experience in dry bulk chartering in the Atlantic region will be required for this role. Proven fixtures of Panamax vessels in the region will also need to be provided.

You will be joining a large scale and global company with European Headquarters and a strong name within the dry bulk shipping market. Adding to an already senior team as they grow the senior skills within their business expansion.

If you think this role could suit you, then please send across a copy of your CV. Likewise if the position isn't quite right for you but you know of anyone who may be interested, please don't hesitate to pass on my details.
