Lila Shipping is an integrated vessel owner and operator that maintains tonnage in the dry, wet and container spaces. The group's origins date back to 1992 when the company's principals first began to trade older tonnage. In 2007 the principals acquired their first assets for commercial trading and chartering and have since then owned and operated a diverse fleet of over 40 ships. Our experienced commercial and management team serves our clients out of strategically placed offices in nine countries throughout the world and routinely operate up to Cape size dry bulk vessels, VLCCs and Post-Panamax containers.
