Chief Financial Officer (Property Development) Chief Financial Officer (Property Development) CharterhouseDubai, United Arab EmiratesChief Financial Officer (Property Development) CharterhouseDubai, United Arab EmiratesPosted 3 days agoPermanentAED55,000 to 65,0000 Plus BenefitsCharterhouse Middle East are currently working with a Real Estate Development client, whom are looking to hire a Chief Financial Officer (CFO), to oversee all aspects of financial management, reporting and accounting-based functions at a holding level within the group.About the roleThis role will take overall ownership of the entire finance department, spanning companies/entities across various market sectors, whilst supporting all the commercial business lines and senior management within the organisation. This CFO role shall be heavily geared towards the strategic planning, budgeting processes, with a view towards both financing and the management of banking relationships, to oversee areas of liquidity, treasury and any debt restructuring.From a governance perspective, the CFO shall also be directly involved in the oversight and control of accounting compliance, regulatory reporting and external audit partnerships. On top of these operational aspects, the CFO shall be expected to manage areas of investment appraisals; to evaluate any M&A activity, JV partnerships, capital expenditure and/or development projects.About youTo be considered for the role, the successful candidate must be a Chartered Accountant (ACA, ACCA or CPA) or an MBA candidate with a specialisation within finance. The successful candidate will possess both exposure to the regional markets along with a focus to a group company spanning varied and multiple industry verticals. In conjunction, the client is looking to hire a candidate with exposure to either a start-up or turnaround environment, as they look to

implement a change management process along with a corporate restructure. The ideal candidate shall demonstrate a track record across the core areas of financial management along with a detailed and in-depth ability to oversee financial analysis for both FP&A and project-based purposes. The nature of this organisation will require candidates whom can deliver excellent communication and stakeholder management skills, whilst having the ability to present strong reports and commentaries, across a complex, diverse and changing business operation.
