

United Arab Emirates Jobs Expertini®

CHIEF FINANCIAL OFFICER - UAE!

[Apply Now](#)

Company: COREcruitment

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

We have been retained by a diverse and very well established company to find a CFO for them.

We are interested in speaking to those outside of the UAE and wishing to relocate!

The Chief Financial Officer (CFO) is a senior executive responsible for managing all aspects of the Company's financial, pricing and IT strategy and operations. This role involves strategic financial planning, budgeting, financial analysis, risk management, along with functional responsibility for the Company's pricing and IT functions, and reporting to key stakeholders, including the board of directors and shareholders. The CFO also plays a key role in the Company's strategic planning process and provides advice to the CEO and other senior executives.

Qualifications, Skills and Experience Required for this position:

Master's Degree holder or an ACA/MBA with specialisation in Finance.

Proven experience as a CFO or in a senior financial leadership role.

10 years experience leading a similar function of Finance within a large organisation.

Able to lead a range of functions and have the breadth of experience with planning and operational responsibilities.

Comprehensive knowledge of relevant legislation, accounting policies and practice.

Ability to work effectively in a dynamic and fast-paced environment.

Excellent knowledge of financial regulations, accounting principles, and best practices –

specifically, financial planning and strategy, managing profitability, promoting process improvement, forecasting, corporate finance, developing budgets, financial skills.

Exceptional strategic, leadership and change management skills – specifically, communication, and interpersonal skills.

Strong financial analysis and modelling skills.

Creative and innovative leader, with excellent influencing and problem-solving skills.

Strong ability to organise and mentor teams as well as manage programs with a keen attention to detail and quality.

Project management skills and the ability to coordinate and oversee several projects concurrently across multiple functional departments.

Salary Package: negotiable for the right person plus full expat benefits for self and family
