Civil Engineer in Haur-Fakkan, UAE Do you have a passion for infrastructure projects? We are looking for a passionate and experienced Civil Engineer to join our team in Haur-Fakkan, UAE. As a Civil Engineer, your main responsibility is to collaborate with our experienced team to plan, design and execute innovative and sustainable civil engineering projects. You will be responsible for reviewing design plans for conformance with standard codes and regulations, choosing suitable materials, evaluating construction methods and supervising the construction process. You must be able to interpret basic architectural and engineering documents and provide cost effective and safe solutions. We offer a competitive salary of 1200 AED per month as well as company benefits. If you are a talented and passionate Civil Engineer then we would love to hear from you. You should have a degree in Civil Engineering or another related field, at least 4 years of hands-on experience and the ability to think creatively and practically. A knowledge of relevant building and engineering codes is highly desirable. For foreigners, This job has no reviews yet. You can be the first!
