Clinic Nurse Jobs In Sharjah | Vega International

About the job

As a Clinic Nurse in the UAE, you will be an integral part of the healthcare team in a clinic setting. You will provide comprehensive nursing care to patients, assist physicians in examinations and procedures, and ensure the smooth operation of the clinic. Clinic Nurses play a crucial role in delivering patient-centered care and promoting health and wellness.

Requirements

Bachelor's Degree in Nursing

Valid registration as a Nurse with the Dubai Health Authority (DHA) or other relevant regulatory body in the UAE.

Knowledge of clinic operations, medical procedures, and clinical guidelines.

Familiarity with electronic medical records (EMRs) and healthcare software.

Excellent communication and interpersonal skills to interact with patients, families, and colleagues.

Strong critical thinking and problem-solving abilities.
