Company: New Sourcing International (NSI)

Location: , Abu Dhabi Emirate, United Arab Emirates

Category: other-general

Clinical Laboratory Quality Assurance (QA) Manager My client is a leading healthcare brand in Abu Dhabi which owns many clinics and pharmacies. They have a great opportunity for a Clinical Laboratory Quality Assurance (QA) Manager. Manager is responsible for many quality issues in the clinical laboratory, including ensuring compliance with all regulatory requirements, conducting gap analysis and developing, implementing and maintaining a quality management system; either directly or by delegation, and under the direction of the Director of Laboratory Operations. •Minimum of 5 years of clinical laboratory experience•Exceptional written and verbal communication skills with strong attention to detail and record-keeping skills•Demonstrated ability to collaborate across functions and with both internal and external stakeholders•Strong leadership and decision making skills; ability to communicate ideas, opinions and counter arguments in a proactive and professional manner•Demonstrated understanding of and experience working with HAAD, CAP and JCI

About The Company New Sourcing International (NSI) is a leading international group specializing in talent acquisition services around the globe. Since our introduction in 1999 we have grown extensively and now have thriving operations globally enjoying success through a network of cities worldwide with clients ranging from SME's to large corporate companies. Our local offices boast a wealth of regional expertise with consultants whom understand the complexities and cultural sensitivities of each region. We have created a new concept of providing niche specialist recruitment solutions tailored to the needs of specific markets, regions and industries. NSI is managed by leading industry professionals with diverse domain and location exposure in across various continents. We have a wide selection of

databases and tools at our disposal that enable us to gain access to passive as well as active candidates. We have a growing business presence in countries including Australia, North America, Africa, UK and the UAE. NSI has been providing talent management and recruitment services to a variety of industries for over 11 years. Our portfolio contains a range of offerings starting from recruitment, executive search, head hunting, outsourcing, contract staffing, and project recruitment.
