## Clinical Operations Manager Healthcare

[Apply Now](#)

Company: Halian Uae

Location: dubai

Category: other-general

Operations Management :• Oversee and optimize clinic operations to ensure the efficient delivery of patient care. • Develop and implement operational policies and procedures to maintain compliance with regulatory standards. • Monitor and analyze clinic performance metrics, identifying areas for improvement and implementing changes as necessary. Staff Supervision and Development :• Recruit, train, and manage clinic staff, including nurses, administrative personnel, and support staff. • Conduct performance evaluations and provide ongoing feedback, coaching, and training to support staff development. • Foster a positive work environment that encourages teamwork, open communication, and professional growth. Patient Care and Experience :• Ensure a high level of patient satisfaction by addressing concerns, resolving issues, and maintaining exceptional customer service standards. • Oversee appointment scheduling, patient intake processes, and clinic workflow to optimize patient access and minimize wait times. Financial Management :• Manage clinic budgets, including monitoring expenses and revenue generation. • Collaborate with the finance department to ensure accurate billing, coding, and collections procedures. • Identify cost-saving opportunities and revenue-generating strategies. Regulatory Compliance :• Ensure the clinic complies with all relevant healthcare regulations, licensing requirements, and quality standards. • Maintain up-to-date knowledge of industry regulations and implement necessary changes to remain in compliance. Inventory and Supplies Management :• Oversee the procurement, inventory, and distribution of medical supplies and equipment. • Manage vendor relationships and negotiate contracts to obtain favorable terms and pricing. Quality Assurance :• Implement quality assurance programs to continuously improve the standard of care provided at the

clinic. • Monitor and track key performance indicators related to patient outcomes and safety

Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers.

Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
