Category: healthcare-practitioners-and-technical

Job Description

Responsible for serving as a pharmaceutical care giver by efficiently designing, recommending, activating, monitoring, and evaluating patient-specific pharmacotherapy to ensure optimal outcomes.

About Us

Abu Dhabi Healthcare Company (SEHA) is the largest and most comprehensive healthcare network in the UAE that was established in 2007 with the objective of operating all public hospitals and clinics across the Emirate of Abu Dhabi.

SEHA is committed to delivering world-class healthcare services using the most advanced diagnostics and systems across its network of public healthcare centers and hospitals in addition to partnering with global leaders in healthcare, including world renowned organizations such as the Mayo Clinic.

Organization

Sheikh Khalifa Medical City (SKMC) is a flagship tertiary hospital in the UAE and the largest teaching medical center in Abu Dhabi. The hospital has pioneered multiple

innovative medical technologies locally and regionally, establishing itself as a market leader and setting new benchmarks for the sector. Major achievements include; the first Transplant Center in the UAE and the sole provider of paediatric transplant services in the Emirate of Abu Dhabi, the largest Cardiac Science program for paediatrics and adults and the only Paediatric Cardiac Surgery Program in Abu Dhabi, the first accredited Chest Pain Center in the region and outside the United States. SKMC is committed to providing exceptional and comprehensive adult surgical and medical services in its inpatient and outpatient facilities. SKMC also manages a Biosafety Level 3 Laboratory (BSL3) and a 125-bed Behavioural Sciences Pavilion, the largest mental care facility that provides adults and paediatrics services.
