Company: Ghobash Group

Location: abu dhabi

Category: other-general

Ability Pediatric Rehabilitation Center Abu Dhabi provides evidence-based early intervention, ABA therapy, learning-support-assistance services, speech & language, and psychology for children and young adults in the UAE with developmental difficulties of all kinds. Our treatments target functional communication, self-help, independent living skills, pre-academic readiness, and vocational productivity - thus supporting full community acceptance and inclusion.

Job Description

- Talks to individuals and fosters their positive mental health and personal growth.
- Evaluates patients' needs and accommodates them accordingly.
- Studies factors that affect human behavior.
- Develops treatment plans.
- Administers psychological tests and determines results.
- Counseling: Provides counseling by leading group or individual sessions.
- Behavioral: Research variations in behavioral patterns over a person's lifespan, examines societal trends, and attempts to correct disorders caused by improper development.
- Forensic: Works with law enforcement officials and acts as experts in various legal cases, assesses competency, works with witnesses, and performs psychological evaluations.
- Clinical: Works to prevent, diagnose and treat mental disorders, and works with physicians to determine the best course of treatment for patients.

Qualifications

- Bachelors/Master's degree in Psychology
- DOH License mandatory
- At least 3 years of experience as a psychologist
- Experience working with children
- Strong Communication
