Commercial Sales and Project Manager | Siemens Energy Abu Dhabi

Siemens Energy is one of the world's leading energy technology companies. The company works with its customers and partners on energy systems for the future, thus supporting the transition to a more sustainable world. With its portfolio of products, solutions and services, Siemens Energy covers almost the entire energy value chain – from power generation and transmission to storage.

As the Commercial Sales and Project Manager, you will be having dual roles. In Sales Commercial function, you will be supporting Tendering team in preparation and submission of customer offers and bids and subsequent negotiations by taking lead in commercial and contractual topics. In your Commercial Project Manager's role, you will be responsible for the progress and financial health of the projects together with your Project Manager. In both capacities, you will be engaging and coordinating with several other functions, following various processes and guidelines, using different digital platforms and ensuring compliance with applicable internal as well as external regulations.
