Commercial Senior Associate

[Apply Now](#)

Company: Jameson Legal

Location: Dubai

Category: healthcare-practitioners-and-technical

Jameson Legal is working on a mandate for a Senior Associate/Office Lead role for our client, a boutique technology firm, in their Dubai office.

You will primarily be a commercial contracts lawyer, with experience of and grounding in tech/scaleups. Ideally, you will have acquired both private practice and inhouse experience (a secondment counts). You will be very business savvy and commercial, as well as being able to lead the office expansion (managing client relationships and generating business) and supervising a junior associate.
