### Commercial Solutions (Sales) Manager | Nabors Industries Abu Dhabi

Nabors Industries is a leading provider of advanced technology for the energy industry. With operations in approximately 20 countries, Nabors has established a global network of people, technology and equipment to deploy solutions that deliver safe, efficient and responsible energy production. By leveraging its core competencies, particularly in drilling, engineering, automation, data science and manufacturing, Nabors aims to innovate the future of energy and enable the transition to a lower carbon world.

Commercial Solutions Representative is responsible to coordinate with the commercial teams to strategically identify new and existing customer Energy Transition (ET) opportunities and create deployment solutions of nanO2 engine combustion catalyst, Rig lighting (ILLUMIC), PowerTap and other ET products through to execution and revenue recognition. A high level of customer engagement and internal collaboration is necessary in order to determine and develop creative solutions to overcome challenges and provide value to customer operations.
