Company: The Luxury Collection

Location: dubai

Category: other-general

Description:

The Luxury Collection is a glittering ensemble of locally authentic hotels and resorts from around the world. Our hotel teams curate the world's most enriching and desirable destination experiences. Our mission is to guide our guests, these seasoned travelers on transformative journeys that touch their spirits, enrich their lives and create lasting memories. If you are someone with an appreciation for evocative storytelling and a desire to provide genuine, personalized, and anticipatory service, then we invite you to join us on our journey and explore a career with The Luxury Collection.

Job Responsibilities:

Troubleshoot and resolve technical problems or issues related to computer software and systems. Provide technical guidance and recommendations to resolve business problems. Analyze, recommend, and implement process improvements. Enter commands and activate controls on computer and peripheral equipment to integrate and operate equipment. Troubleshoot, modify, support, manage, and maintain applications programs and user accounts. Maintain records of daily data communication transactions, problems and remedial actions taken, or installation activities. Train or instruct users in the proper use of hardware or software. Manage and coordinate planning, design, operations, maintenance, and resource allocation of telecommunications activities, including client/server support and strategic and tactical planning. Consult with and advise others on administrative policies and procedures, technical problems, priorities, and methods related to telecommunications. Assist management in hiring, training, scheduling, evaluating, disciplining, and motivating

and coaching employees; serve as a role model and first point of contact of the Guarantee of Fair Treatment/Open Door Policy process. Develop and maintain positive working relationships with others; support team to reach common goals; listen and respond appropriately to the concerns of other employees. Follow all company policies and procedures; protect company assets. Speak with others using clear and professional language. Ensure adherence to quality expectations and standards; identify, recommend, develop, and implement new ways to increase organizational efficiency, productivity, quality, safety, and/or cost-savings. Visually verify information. Enter and locate information using computers/Point of Sale (POS) systems. Move, lift, carry, push, pull, and place objects weighing less than or equal to 10 pounds without assistance. Perform other reasonable job duties as requested by Supervisors.

Marriott International is an equal opportunity employer. We believe in hiring a diverse workforce and sustaining an inclusive, people-first culture. We are committed to non-discrimination on any protected basis, such as disability and veteran status, or any other basis covered under applicable law.#J-18808-Ljbffr
