Compliance Lead & MLRO Jobs In Dubai | Lean Technologies

About the job

An exciting opportunity has arisen to join Lean in the Legal and Compliance team as Compliance Lead & MLRO to manage our compliance program and regulatory needs within the UAE. The Compliance Lead & MLRO will report directly to the General Counsel and SEO and will support our business operations whilst ensuring we comply with local standards and regulatory requirements. This is an Approved Person role with the Abu Dhabi Global Market (ADGM) Financial Services Regulatory Authority (FSRA).

Qualifications

Proven regulatory experience in a compliance role within the UAE, including working directly with a UAE regulator. Experience working with the ADGM FSRA is advantageous

A strong understanding of regulation and compliance requirements in the UAE

Excellent written and spoken English required; proficiency in Arabic a plus

Integrity and professionalism; must be a team player

Must be independent and a self-starter, with excellent organizational skills and the ability to work independently to tight deadlines

Excellent organizational skills with the ability to prioritize workloads, progress multiple tasks and adhere to deadlines

High levels of enthusiasm for supporting a practical and commercial approach, innovative product development, and high-growth distribution strategy

Consistent ability to demonstrate high standards of professional accuracy and excellent attention to detail

Adaptability to fast-paced environments and evolving regulatory landscapes

A start-up mindset.
