Computer Engineer (Full-time) in Haur-Fakkan, UAE We are seeking an experienced and motivated Computer Engineer to join our team in Haur-Fakkan, United Arab Emirates. The ideal candidate should have an excellent understanding of computer hardware and software and be able to troubleshoot technical issues. A Pakistani national with no English language proficiency is preferred. This is a full-time position suitable for students or those looking to gain experience in the field of computer engineering. The primary duties of this position include but are not limited to:

- Installing and configuring computer hardware, software, systems, networks, printers, and scanners.
- Investigating and diagnosing network and system problems.
- Monitoring system performance and troubleshooting issues.
- Developing strategies for future development of hardware/software systems.
- Upgrading existing systems to improve user experience.
- Training users on new systems when required.
- Creating technical documentation for reference purposes.

This job has no reviews yet. You can be the first! Training for IT/non-IT professionals in the USA (students or a bachelor's degree) Users also frequently search in these cities: Subscribe to our telegram channel @layboard_in #J-18808-Ljbffr
