Welcome. You haven't signed in yet so please select 'I accept' to start or access your Jacobs Career Application. My Account Options Your Impact: At Jacobs, we push the limits of what's possible to make the world smarter and more connected. We are one of the delivery partners for NEOM THE LINE, one of the most iconic giga projects in the Kingdom of Saudi Arabia, arguably one of the largest projects in the world. Based at NEOM Site, Jacobs has an opening for a Senior Environmental Manager. Key Accountabilities and Responsibilities

- Contracted activities executed without harm to anyone or the progress of related packages.
- Clearly define roles and responsibilities and communicated clearly to the team members and externally to achieve delivery milestones
- Coordinate CPMT activities with connected packages
- Directs the preparation of and issues the CPMT Execution Plan
- Report to the Senior Package Directors formally and informally for consistent communications to THE LINE CPO, Proponent, Sectors, and Anchor Asset owners
- Provide consistent communication with CPMT to align objectives and tasks to meeting baseline milestones
- Recruit, hire, on-board, supervise, promote, and empower the CPMT
- Provide forecast updates to project controls teams and risk managers to maintain a clear picture of package status and direction
- Set the tone and culture for the CPMT consistent with THE LINE vision and culture
- Maintain strong active supporting relationship with the Lead Project Manager to meet tactical objectives
- Set the tone and enforce discipline in package delivery to ensure safety, quality, environment and sustainability, and permitting requirements are met or exceeded
- Maintain active communication and cooperation with peers in THE LINE quality, environment, and sustainability and permitting functions to confirm and execute standard compliance.
